

Contract 202055964

## Livestock Center

### PROJECT DESCRIPTION:

The Livestock Center is the campus's most versatile building and will play host to a variety of events, conferences, shows and activities.

- Multi-use show and auction areas, cattle stalls, trade shows, retail, conferences and more.
- Connected to the National Western Stock Show's Legacy Building.

### BID OPPORTUNITY:

Whiting-Turner (WT) is the CM/GC for the National Western Center Livestock Center. We are requesting proposals from interested firms for preconstruction services for the pre-engineered metal building scope.

### RFP DOCUMENTS AVAILABLE:

RFP documents will be available after an NDA form has been executed. Please contact Jason Pickel at [jason.pickel@whiting-turner.com](mailto:jason.pickel@whiting-turner.com) or (702) 210-9258 for the NDA document.
