

Contract: #201841662
Horizontal Work for MDF Buildout and Campus Fiber

PROJECT DESCRIPTION:

The Mayor’s Office of the National Western Center (NWCO) and the Horizontal Integrated Contractor (HIC) Hensel Phelps have issued a Request for Proposal for the installation of new campus fiber and copper, and buildout of an MDF room in the Maintenance and Operations Building. The sites are located on the National Western Center Campus in Denver, Colorado.

Bids for OSP fiber installation, interior telecom rooms, drywall and finishes, and mechanical / plumbing / electrical scopes will be accepted.
